

REACH Declaration

We assure that we comply with the Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). Our aluminium profiles, aluminium components and other parts of our supply, fulfil the Regulation (EC) No 1907/2006 of the European Parliament and of the Council.

Name of the manufacturer:	Nordic Aluminium
Location of the manufacturer:	Kaapelitie 68, 02490 Pikkala FINLAND
Content of the declaration:	Lighting tracks and lighting track systems covering all components, items and materials we use or manufactured for us for the European market.

Nordic Aluminium is according to the Regulation (EC) 1907/2006 a downstream user as producer and importer of articles.

The information we are holding about our imported products and materials is based on the discussions and inquiries we have had with our suppliers. Nordic Aluminium does not add any substances listed in the ECHA Candidate List of Substances of Very High Concern for authorisation above the approved mass concentration.

<https://echa.europa.eu/en/candidate-list-table>

This is why our best understanding is that our articles fulfil the Regulation (EC) No 1907/2006. The articles we distribute or import for end usage in the European Union do not contain substances named in the ECHA Candidate List above the approved mass concentration.

We follow all prescribed environmental laws and authority rules in our operations.

Nordic Aluminium
Kirkkonummi, Finland 27.2.2024
